DR. ANTHONY STERLING

Dr. Anthony Sterling is a successful dentist who has been practicing in the Greater Toronto Area for the past twenty-five years as the owner and operator of STERLING DENTAL.

Dr. Sterling was born in London, England to West Indian parents. He earned a Bachelor of Science degree from McMaster University in Hamilton, Ontario, and a degree from Ohio State University's College of Dentistry. He currently resides in Brampton, Ontario with his wife and four young children.

Dr. Sterling is very passionate about dentistry, a calling which enables him to build lasting relationships in the community. He refers to himself, his staff, and his patients as the "Sterling Dental Family." He believes that as each individual and business grows and prospers, so should the surrounding community, and therefore Dr. Sterling dedicates much of his time, energy and resources to community service and development, with a focus on fostering positivity and success among the youth of our communities.
